Master of Science in Accountancy

Your education is important! That is why it's imperative that you learn from the best. We are proud to say that in the MSA Program, you'll learn from the #1 Ranked Accounting Faculty according to BYU Accounting Faculty Research Rankings.

I am pleased to introduce you to one of our esteemed Accounting Professors: **Fei Du**

Title: Assistant Professor of Accountancy

Course Offering: ACCY 512 (Data Analytics for Management Accounting)

Favorite Area of Accounting & Why: Managerial accounting! I love cracking number puzzles and organizing stuff. This is what managerial accounting does - it makes information accessible, readable, and useful for decision makers such as CEOs and CFOs.

Interesting Article to Share: I recommend reading [These Industries Will Face the Biggest Talent Shortages by 2030](#) and the very first one is financial and business services - this is good news for our students in Gies!

Fun Fact: I practice yoga and martial arts. My most favorite yoga pose is Bakasana!

To learn more about Professor Fei's background and recent publications please visit his profile page [here](#).

As a reminder, please visit the new student [website](#) to view information and previous emails sent over the last few weeks. Also, be sure you are continuing to with the [Career Management Course](#).
