MSA Ambassador - Ly Nguyen

This year have been unlike any other and the importance of building connections is stronger than ever. Therefore, we are excited to connect you with Ly Nguyen, our MSA Ambassador for Summer 2021.

MSA Ambassadors are current students who, not too long ago, were in your shoes navigating the process of becoming a grad student.

As an MSA Ambassador, Ly is available to offer insight, advice, and guidance as you begin this journey. We encourage you to reach out to her with any questions you may have about the student experience, campus, living in Champaign-Urbana, etc.

Here is a bit of information to get to know Ly...

Hometown: Vietnam

Undergraduate Institution: Eastern Illinois University

Undergraduate Major: Business

Fun Fact: I started making different types of smoothies every day since COVID started

What made you choose MSA? I chose the MSA Program because this is one of the top graduate accounting programs in the country. Also, I wanted to step out of my comfort zone, try different things and develop my professional and personal goals in a larger university. The MSA Program does a great job of bringing different backgrounds together. I am excited about graduating with a graduate degree and getting my CPA done this year!
