of Business**

Master of Science in Technology Management

GET CONNECTED!

Congratulations and welcome to Gies! You've done it! You are joining one of the pre-eminent universities in the world that will provide you with a transformative learning experience.

This is such an exciting time, but we also understand that this time of transition may be unfamiliar territory for you and even a bit scary. Therefore, what better way to make the transition smoother than by meeting and getting to know your classmates?

Start by joining the [Class of 2023 \(Fall 2022 start\) WhatsApp group](#). This will be the beginning of life-long friendships that you'll make in the program.

Also, join our other social accounts to stay up-to-date on everything Gies!

Gies Graduate Programs Accounts  

Tomorrow, you will receive another email that will include important information to start the onboarding process, so be looking for it in your inbox.

Get ready! You have an amazing journey ahead of you.

Sincerely,

Melinda Febus

Mark Your Calendar

June 1: Start accessing the Career Management Foundations course. Review checklist for more details.

Early June: "Get Ready for Gies" Virtual Event Series begins and will help orient you to campus life in a fun and informative way. More details to come.

Week of August 8: One-week optional in-person orientation activities. This will be a great opportunity to get to know your cohort! More information to come. *Make sure to look into housing now to ensure move in before this date.*

Week of August 15: One-week in-person **mandatory** orientation begins. It is expected that all MSTM students arrive by August 15 in order to attend.

August 22: First day of classes
