

We can't wait to see you!

In just a couple of weeks, you'll be starting classes, and we can't wait to meet you. At the upcoming MSA Mandatory Orientation, you'll register for classes, meet your classmates, network with faculty and staff, and learn about all of the resources available to you.

Prior to Orientation, it's essential that you have completed the following:

- Complete [New Student Checklist](#)
- Complete [Career Management Foundations Course](#)
- View [Orientation Agenda](#)

Orientation will be held both in-person and virtually via Zoom. Due to social distancing requirements, as well as gathering limitations, we ask that if you plan to attend orientation in-person, you sign-up [here](#). Please note that there are two in-person sign-ups one for June 8th and one for June 9th. If you plan to be in-person for both, you will need to sign-up for both days. There is also a separate [sign-up](#) for professional head shots which will occur on June 11.

In-person attendees will need to ensure they have building access. Please visit the University's COVID-19 [website](#) to learn about how you can access BIF.

We looking forward to welcoming you at orientation!
