Subject: Welcome to Gies!

Gies College of Business

Master of Science in Management

GET EXCITED!

Welcome! We are excited that you will join the MS in Management program at Gies College of Business at the University of Illinois Urbana-Champaign. You are now part of the Gies family, and we want to make sure you take advantage of all the support and resources available to you and that starts today!

Please review and complete the New Graduate Student Checklist. These are essential steps to help you get started with your graduate school experience.

Download Checklist

As an immediate first step, it is important that you claim your NetID. You will need this to access important resource information.

Also, please mark your calendar beginning August 8 for our mandatory Gies Management Academy. This onboarding experience will run the two weeks prior to classes starting. This is required to prepare you to be successful in the program. It starts August 8 and continues for two weeks through August 22. These orientation activities will be part of your Fall 2022 semester grades, so attendance is important and required. Please make travel and accommodation plans accordingly to attend in-person.

Please note all activity formats are subject to change, based on local guidelines and restrictions. Your individual and our collective health and well-being are a top priority.

Over the next several weeks, we will stay in contact with you to help you get ready to start classes in August. Make sure to review everything provided because there will be important information for you to know. And if you have any questions, please let me know. I am here to help!

Welcome to the Gies Business family! We are excited for you to launch into this life-changing stage in your career. Your success is our success, and we cannot wait to see what you accomplish.

Sincerely,

Kristen Sackley
Academic and Student Services

Mark Your Calendar

June 1: Start accessing the Career Management Foundations course. Review checklist for more details.

Early June: "Get Ready for Gies" Virtual Event Series begins and will help orient you to campus life in a fun and informative way. More details to come.

Week of August 8: Two-week in-person mandatory Gies Management Academy begins. *Make sure to look into housing now to ensure move in before this date.*

August 22: First day of classes

Contact Information

If you have any questions regarding the program, please email Kristen Sackley at sackley2@illinois.edu.

If you have any questions for our Career Services Team, please submit them HERE.
