Gies Professional Pathway Foundation

It's never too early to begin thinking about finding a job, and our Career and Professional Development team is here to help.

We designed an online career-readiness course called the "**Gies Professional Pathway Foundations**" which introduces you to the in-demand professional competencies that employers desire. This course will provide you with a foundation to maximize your time and experience at Gies, preparing you for long-term career success.

Login with your university NetID and password. This will only work if you have **claimed your NetID**.

Click on the course titled "Gies Professional Pathway Foundations" and complete all modules and assignments as you are able.

We are excited to help you in this next step of your professional development. Our team is here to ensure your success as both a graduate student and as a global business professional. If you have questions about logging in and accessing the course, please contact Emily at ms-accy@illinois.edu. If you have questions regarding the course content please contact Susie Li, Assistant Director for the Career and Professional Development Office at qiranl@illinois.edu
