NetIDs

There are many tasks to do before you start the MSA Program. If you are feeling a bit overwhelmed, start by claiming/activating your NetID.

Claiming your NetID will give you access to campus services including email, file storage and access to Canvas for the [Gies Professional Pathways course](#).

Please use the UIN and Activation Code that were sent to you in your Notice of Admission letter from the Graduate College. Next, you will be prompted to select and provide answers to two security questions to protect your NetID account. Finally, you will need to choose a password for your NetID account (be sure to view the requirements for all passwords).

If you have questions, the [Technology Services Help Desk](#) is the best resource and they can be reached at (217) 244-7000 or consult@illinois.edu

Also, please make sure you mark your calendars to attend any or all of the Secrets to Success webinars. This series is put on by current MSA students who are here to share their tips and tricks on several topics...

Student Events & Campus Recreation | Tuesday, March 26 @ 9:00 PM CDT | [RSVP](#)
