**Subject:** Get started on your job search now!

**Gies College  
of Business**

### Master of Science in Business Analytics

Dear Suhas,

Gies College of Business is thrilled to welcome you to campus in August. Now that you have made the important decision to join Gies for a world-class business education, it's time to think about your career.

We have designed an online [Career Management Foundations Course](#) to help you begin your job search and develop in-demand professional competencies based on employer feedback. This is what one of our current students had to say about how it prepared him for the job search.

*"The online Career [Management] Foundations Course provided me with great preparation for a successful career. The course taught me how to use action verbs on my resume, how to build my*

*LinkedIn profile, and how to answer interview questions. It helped me adapt to the B-school environment and prepare for the Career Fair in the first semester."*

**Prioritizing this course will ensure you are prepared for recruiting, which can happen at any time.**

We encourage you to complete the modules according to the timeline below:

- Module 1: Resume Draft - Complete by June 27
- Module 2: LinkedIn Profile - Complete by July 11
- Module 3: Worksheet - Complete by July 18

To access this course, follow the instructions listed in the New Graduate Student Checklist.

We are excited to help you in this next step of your professional development. Our team is here to ensure your success as both a graduate student and as a global business professional.

Sincerely,

Your Career & Professional Development Team

## Mark Your Calendar

June 1: Start accessing the Career Management Foundations course. Review checklist for more details.

June 27: Deadline to submit your resume in the Career Management Foundations course.

July 11: Deadline to submit your LinkedIn profile in the Career Management Foundations course.

July 18: Deadline to submit your worksheet in the Career Management Foundations course.

Early June: "Get Ready for Gies" Virtual Event Series begins and will help orient you to campus life in a fun and informative way. More details to come.

Week of August 8: One-week optional in-person orientation activities. This will be a great opportunity to get to know your cohort! We will also have a registration info session this week where you can learn all about your classes and what to register for. More information to come. *Make sure to look into housing now to ensure move in before this date.*

Week of August 15: One-week in person **mandatory** orientation begins. It is expected that all MSBA students arrive by August 15 in order to attend.

August 22: First day of classes
