Application-Based Courses

Course	Meeting Details	Description	Open Date	Close Date	Notificati..	Application Link
MGMT 760-1: E-Lab: Venture Capital (Adams, Taylor Anne) Prerequisite: MGMT 626	set by prof (full semester)	<p>The Venture Capital E-Lab gives students the opportunity to gain experience with early stage investors including angel, venture capital, or early stage debt investors. Students learn through hands on support and are expected to be at the sponsoring organizations office 8 - 10 hours per week and attend investor pitches.</p> <p>The Venture Capital E-Lab is not a standard class and requires meeting off campus. It is also not affiliated in anyway with the Venture Capital class. The E-Lab typically doesn't work well for most EMBA or Professional Students as it requires at least one day per week at the company's office.</p> <p>Applications received after the application deadline will be reviewed at the professor's discretion and may be denied, accepted, or added to the course waitlist. You must notify both jgsbregistrar@rice.edu and the professor directly if you submit an application after the deadline has passed.</p>	4/1/24	4/30/24	6/3/24	https://lilie.link/f24-labs
MGMT 762-1: E-Lab: New Enterprise (Judah, Kyle; Randolph, Sophie) Prerequisite: MGMT 621 or MGMT 927	W M (12/9 only), 2:15pm-3:45pm (full semester)	<p>Students working on their own startup have the opportunity to apply the processes learned in the New Enterprise course to their startup. Students set their own personal goals and milestones for the class which can include proving customer validation, building Minimal Viable Products, developing presentations for pitch competitions and investor meetings and even launching the company.</p> <p>The Fall New Enterprise E-Lab is structured as an independent study with an assigned mentor. Students should expect to devote 10+ hours per week to their Startup. Please note that there is no classroom component for the Fall New Enterprise E-Lab. Students work with the Professor and a mentor to set milestones and objectives for the E-Lab and check in on a regular basis.</p> <p>Applications received after the application deadline will be reviewed at the professor's discretion and may be denied, accepted, or added to the course waitlist. You must notify both jgsbregistrar@rice.edu and the professor directly if you submit an application after the deadline has passed.</p>	4/1/24	4/30/24	6/3/24	https://lilie.link/f24-labs
MGMT 700-1: Independent Study (Ostdiek, Barbara)	n/a	See link for details and application. Applications should be submitted several weeks prior to the term in which you intend to complete the Independent Study.	n/a	n/a	n/a	http://cglink.me/ddaa274..
